

ThinkCentre neo 30a 27 Gen 4

This intuitive desktop is equipped with the processing power of up to 13th Gen Intel P or H Series Core i7 processor that delivers high performance to business professionals. Combined with integrated Intel UHD graphics, the desktop enables faster responsiveness for memory-intensive data applications. Additionally, the modern workforce can work efficiently and store heavy files with up to 16GB DDR4 memory and up to 1TB SSD storage.

Enhanced productivity at your fingertips

27" FHD resolution with 250 nits of brightness ensures better visual clarity for data specialists who work on detailed spreadsheets, line charts, and presentations. An optional 5.0MP camera and optional dual microphone array lets users seamlessly connect with wider teams.

Blending ergonomics with secure access

For enhanced accessibility, the desktop allows professionals to access up to two independent displays via native display and one external monitor via HDMI port.

Focused on business

Optional EPEAT Silver and optional ENERGY STAR 8.0 certifications help reduce energy consumption and reduce carbon footprint.

Mainstream computing for a variety of business uses

ThinkCentre Neo series offers organizations enhanced manageability and security features, along with additional configuration and expansion options.

Lenovo services

Lenovo delivers tailored sustainability services, devices, and infrastructure solutions from our broad portfolio, working closely with you to support your target outcomes across the IT lifecycle..

Return To Depot Repair Warranty

No-hassle repair process at a Lenovo service center
 Lenovo pays for all shipping between the customer and service facility
 Avoid unplanned operational expense with a simple annual fee

Accessories

Lenovo 100 Mono USB Headset

The headset features hassle-free plug-and-play, a dynamic rotatable microphone that can be positioned on both the left and right side of your head.

Premium protein leather earcup cushioned with memory-foam for comfort that lasts all day. Powerful 30 mm audio drivers with neodymium magnets envelop the user in rich detail when paired with the vocal-optimized boom-mic, for a crystal-clear calling experience.
